

AmazonSmile is a way for you to support FFLI's programs every time you shop with Amazon.

When you sign up, a percentage of the purchase price on eligible items will be donated to FFLI at no additional cost to you. It works with Amazon Prime as well.

Signing up is easy:

Go to smile.amazon.com to sign up and select **Free for Life International** as your selected charity.

Add a bookmark for smile.amazon.com to make it even easier to return and start your shopping at AmazonSmile.

At this time, there is not an **AmazonSmile** app, however, you can set up a shortcut to the AmazonSmile website on your iPhone home screen.. It's very quick and easy to do:

- Go to smile.amazon.com
- Tap the 'share' button on the bottom of the screen
- Tap the 'Add to Home Screen' icon
- You will now have an **AmazonSmile** icon on your home screen which you can use exactly the way you used the app

Please note, you will need to shop through **AmazonSmile** each time to benefit your selected charity, but the rewards are worth this small additional step!

Happy shopping!
